Defending Donald Harvey book. Read 4 reviews from the world's largest community for readers. Over the course of eighteen years, Donald Harvey murdered at least fifty-nine people while working as a nursing assistant in Ohio and Kentucky hospitals. His crimes shocked the nation; even today, Harvey's name is invoked whenever those we trust in the medical system commit horrendous crimes. Whalen was now the defense attorney for a serial killer--and the police didn't know it. He found a way to use the revelation of the full extent of Harvey's crimes to save Harvey from the death penalty and he ensured that he would never have the opportunity to kill again. Donald Harvey (April 15, 1952 - March 30, 2017) was a prolific American serial killer and orderly who claimed to have murdered 87 people, though official estimates are between 37 and 57 victims. He was able to accomplish this during his time as an orderly. Harvey said he started out killing to "ease the pain" of patients by smothering them with their pillows. He mostly killed cardiac patients.
