Arunachal Pradesh means 'Land of the dawn-lit mountains'. Arunachal Pradesh is the largest state in the Northeast, among the seven sisters. The state shares a total of 1630 kms of international boundary with neighboring countries; 1030 kms with China, 160 kms with Bhutan and 440 kms with Myanmar. Arunachal has the highest number of regional languages in the Indian subcontinent. Earlier the state was divided into 17 districts, but in the year 2013, 4 new districts were created taking the total to 21. Its climate ranges from sub-tropical in the South to Alpine in the North. The state i Land Cover Mapping for Namdapha National Park (Arunachal Pradesh), India Using Harmonized Land Cover Legends. June 2013. Journal of the Indian Society of Remote Sensing 42(2):461-467. The potential of Remote Sensing (RS) and Geographical Information Systems (GIS) in forest/land cover mapping is very well recognized. Therefore, adopting the developed harmonized legends for the study area, land cover mapping was done using RS-GIS approach. Forest group types in Arunachal Pradesh. Land cover wise area of Namdapha National Park. Figures - uploaded by Shivaji Chaudhry.
