Cell biology/histology (self.step1). submitted 1 year ago by arn4v. Just took an NBME and the feedback suggests that I am weak on cell biology and histology. Are there any recommendations for these specific topics? I find histology impossible to deal with! 1 comment. share. I did the First Aid Rapid Review and just googled relevant histology images as I went and found plenty of good examples. Unlike with a lot of other stuff, I think Google is your friend here.
