9 Simple Feng Shui Tips For The Home. 1 of 12. The flowers are blooming and spring is in the air! Since Spring is the for spring cleaning, it's the perfect time now to rethink and reorganize your house with a little Feng Shui. Here are 9 simple tips for bringing positivity into your home with Feng Shui design principles. Nine is the most auspicious number in Feng Shui, so if you can manage to do all nine of these, you will attract even more good energy! Tip 1: Fix any door squeaks. 2 of 12.Â 3. Where to place that Feng Shui fountain Water represents wealth in Feng Shui. A lot of people ask me where the best place to locate a fountain for Feng Shui is. According to Feng Shui principles it's advantageous to place a water element such as a fountain near the entry of your home. Read the 10 Feng Shui tips and you will have the right amount of positive energy in your home!Â 10 â€“ LIMIT THE USE OF ELECTRICAL OBJECTS Electrical objects create electromagnetic fields which are harmful for the organism. It is good therefore not to have an excessive amount of objects of this type around, especially in bedrooms where there should be no TVs or equipment such as computers or telephones. Jane Butler-Biggs has been a feng shui teacher and consultant for more than ten years. She is the founder of the Feng Shui Foundation in Sussex, England. Read more. Product details.Â The book is divided into 10 easy lessons, although there is no need to go in the order of the book. Each of the 10 chapters ends in a Top Ten Questions section about the chapter. The book also touches on some things many other books neglect, such as gardening, how to do feng shui around other people, your workplace, major life changes and even talks about what to look for when you are looking for a new home.

While feng shui may seem mysterious, or even mystical, its guiding principles are quite simple. One key aspect is seeking balance (between yin and yang) despite constant change. One small study found that bedrooms using principles of feng shui found that sleep quality improved. And the use of feng shui in office environments might make you feel better. On a practical level, that means there's an optimal place for every object—bed, books, laptop, even garbage bins. To kick off our ultimate feng shui guide, we're starting with the bedroom, where we spend roughly a quarter to a third of our lives. Following good feng shui in your home promotes good fortune into your life. Learn about quick, basic tips to achieve this here! The practice of Feng Shui governs the manner in which your space or environment is organized to promote the balance of the flow of chi, or energy. Try Different Quizzes People Are Talking About! People try to achieve good Feng Shui, as it is believed to bring good luck; and avoid bad Feng Shui, as it brings bad luck. However, not all of us have the liberty to drastically change our homes to suit Feng Shui. Most of us do not have the time or the energy to do so, but that doesn't mean we cannot try to achieve good Feng Shui.

Share. I have several Feng Shui books and this is by far the best organized of them. The author's writing style is upbeat, contemporary, fresh and vibrant- just like the lovely illustrations that are so amply provided. It sets out the concepts in the clearest and most accessible way I have seen. As interested as I am in the subject, most of the books I've seen can put me to sleep- you have to work hard to get through them. This achieves a tough goal- giving clarity to a complex subject with many overlapping and potentially confusing, or even contradictory, elements. The language is simple and easy to read. The book is divided into 10 easy lessons, although there is no need to go in the order of the book. Each of the 10 chapters ends in a Top Ten Questions section about the chapter. The importance of employing feng shui principles in the garden, the workspace, the new house, and the retirement home make this book unique and invaluable. ...more. Get A Copy.

Amazon. Also, with its title claiming to present "10 Simple Lessons," this book could more concisely lay out the basics. A skilled editor would slice out lots of verbal clutter, e.g. examples and details that won't apply to every reader and don't clarify the core ideas. So I subtract one star for hints of superstitious silliness, and another for mediocre style. Three stars = not the most bang for buck, but not a complete waste of time. ...more. flag Like · see review. Dec 19, 2015 X rated it liked it. Shelves: female-authors, nonfiction, paperback, adult. 7 "FAVOUR REGULAR SHAPES Feng Shui favours simplicity as harmony comes from this. 10 "LIMIT THE USE OF ELECTRICAL OBJECTS Electrical objects create electromagnetic fields which are harmful for the organism. It is good therefore not to have an excessive amount of objects of this type around, especially in bedrooms where there should be no TVs or equipment such as computers or telephones.
