Building a sustainable competitive advantage means besides developing private/ store brands, lucrative offers and customer service, retailers should create certain advantages that enable them to survive against all odds as and when presented by its competitors.

ADVERTISEMENTS: Knowing one's competitive advantage is difficult for its competitors. To begin with, even for a retailer, it is difficult to identify its own competitive advantages. Particularly, competitive advantage is your unique skills and inherent resources devoted/dedicated to your business that competitors cannot predict easily. Talent management as an innovative approach to managing employees is gaining more and more attention in foreign as well as in Russian companies. To date, scientists and practitioners have explored this phenomenon in general trying to find benchmarks and pursuing the goal of defining universal concepts. Some practitioners and scientists took the path of delimitation outlining fundamental differences between talent management and extant personnel and human resource management systems. The Talent Management Handbook : Creating a Sustainable Competitive Advantage by Selecting, Developing, and Promoting the Best People (Vol. 2nd ed). New York: McGraw-Hill Professional. Sustainable competitive advantage is the key to business success. It is the force that enables a business to have greater focus, more sales, better profit margins, and higher customer and staff retention than competitors. It is the major driver of long-term business value and is what purchasers will place the most value on when looking to acquire a business.Â Therefore, to successfully compete, small businesses need to develop a sustainable competitive advantage that is based on providing superior value to a specific niche. There is another advantage that is often referred to and that is first mover advantage.Â Work out the key things that you need to do really well to support and deliver the value proposition. Sustainable competitive advantage is a business asset or ability that provides a superior value to customers and a long term position over competitors. The sustainable competitive advantage is difficult to duplicate or exceed by competitors and it lasts for many years. A unique value proposition can ensure more sales, higher customer loyalty, and greater staff retention than competitors.Â Some of the best examples of companies that never stop innovating are: Google, Microsoft, Amazon, Samsung, Tesla, Nike, to name a few. 5. Stand Out With Craftsmanship. Craftsmanship still matters in our high tech world and has an enormous impact.Â Thereby, those companies can deliver the best products and services. Example: SAS talent management strategy has outstanding results.
