Gentle Ben is a bear character created by author Walt Morey and first introduced in a 1965 children's novel, *Gentle Ben*. The original novel told the story of the friendship between a large male bear named Ben and a boy named Mark. The story provided the basis for the 1967 film *Gentle Giant* (1967), the popular late 1960s U.S. television series *Gentle Ben*, a 1980s animated cartoon and two early 2000s made-for-TV movies. *Gentle Ben* is the one hundred and thirty-fourth episode of *Ben 10*. Grandpa Max's alma mater asks him to use the Omni-Copter to transport an important exhibit to an exotic nature reserve in Yucatan, but when the exhibit turns out to be a rare and very large baby moth, Ben must keep Tim Buktu from stealing the moth while learning that sometimes you need to use finesse and not force to solve hard problems. Ben is now aware that he no longer has access to Stinkfly. *Gentle Ben* has been a favorite of readers of all ages for 25 years, and is a timeless story of a rare friendship. An ALA Notable Book. Get A Copy. *Gentle Ben* is written by Walt Morey. It's about young Mark Andersen bonding with a brown bear to help him cope with the loss of his older brother, Jamie. He lives with his parents in Alaska, where, at the time, is just a territory. Mark visits the enormous animal in secret, first out of curiosity, but later because he grew to care about it. *Gentle Ben*. *Gentle Ben* (1972). To favorites 1 Download album. Listen album. Jazz. Ben Webster , Tete Montoliu. 1972. Album. Songs in album *Gentle Ben* (1972).
