The Story of the Western Wing, also translated as Romance of the West Chamber, is one of the most famous Chinese dramatic works. It was written by the Yuan Dynasty playwright Wang Shifu (王实甫), and set during the Tang Dynasty. Known as "China's most popular love comedy", it is the story of a young couple consummating their love without parental approval and has been seen both as a "lover's bible" and "potentially lethal", as readers were in danger of pining away under its influence. Edit Translation. English. Español. Related Content. Lost in the Chamber Love Untamed. Romances of the Old West. Start by marking "Love Untamed: Romances of the Old West" as Want to Read: Want to Read saving; Want to Read. Currently Reading. Read. Other editions. Enlarge cover. From Doc Holliday and "Big Nose" Kate to Frank Butler and Annie Oakley, Love Untamed chronicles some of the most famous and tempestuous romances to stir up the western frontier. The romances of thirteen couples are explored in this book and represent the variety of relationships that added color, controversy, and commitment to the unmatched days of the Old West. Good book about some romances that occurred in the Old West. Interesting how people back then happened to meet and get married....or not. I enjoyed the book very much because it took my imagination back to that time and I meditated on what it would have been like to be in that situation. This was a wonderful look back at some romantic tales and survival in the wild west. It is a good reference piece for anyone wanting to get a feel for the old west and struggles of love. Read more. Helpful.
