#### Description:

**From** This entry in the popular Fancy Nancy series is once more focused on all that glitters, starting with its sequined cover. The little girl with the Marie Antoinette updo (and a tiara perched upon an “Ace Plumbing” baseball cap) is ecstatic that her family is considering getting a puppy. Nancy wants the fanciest possible puppy and puppy-sits her posh neighbor Mrs. DeVine’s papillon to convince her family. A series of comic mishaps ensues, with the little dog too fussy even for Nancy. The family finally picks out a big dog from a shelter, with Nancy concluding that “unique” may be better than “fancy.” Preschool-Grade 1. --Connie Fletcher

**Review** "It's innocent and magical and just the book you want your little girl to read. Utterly charming" Mum reviewing Fancy Nancy "I will be buying more copies of this book for Christmas...my friends daughters would love [it]!" Mum reviewing Fancy Nancy --This text refers to the edition.

Fun with Fancy Nancy For a perfectly posh playtime, download this free Fancy Nancy activity kit. Entertain your young readers with ten reproducible activities, including craft projects, connect-the-dots, mazes and more. [PDF].

This time out, Nancy and her family are going to get a dog and, after babysitting a neighbor's posh puppy, find a different dog to fit them. Again, it's a nice story and the art is absolutely marvelous. I wasn't quite as touched by the story this time around but I was knocked out by how much I liked the first Fancy Nancy book so it's not too surprising that the second book is a bit of a disappointment. Fancy Nancy: Fanciest Doll in the Universe. Fancy Nancy and the Wedding of the Century. Fancy Nancy 10th Anniversary Edition. Fancy Nancy: Saturday Night Sleepover. Fancy Nancy and the Fabulous Fashion Boutique. Fancy Nancy and the Mermaid Ballet. Fancy Nancy: Fanciest Doll in the Universe. Fancy Nancy and the Wedding of the Century. Fancy Nancy 10th Anniversary Edition. Fancy Nancy: Saturday Night Sleepover. Fancy Nancy is back! And when her family decides to get a dog, she's certain she can be fancier than ever. After all, a papillon--a small, delicate, fluffy dog--is the ultimate accessory. But her family wants a large, plain dog. How unglamorous! About the Author. Jane O'Connor is an editor at a major publishing house who has written more than seventy books for children, including the New York Times bestselling Fancy Nancy series. She resides (that's fancy for lives) with her family in New York City. She has illustrated many acclaimed picture books, including the bestselling Fancy Nancy series. She won the Children's Choice Award for Best Illustrator of the Year for Fancy Nancy and the Mermaid Ballet. Robin and her family live in Southern California. No customer reviews. Fancy Nancy: Fanciest Doll in the Universe. Fancy Nancy and the Wedding of the Century. Fancy Nancy 10th Anniversary Edition. Fancy Nancy: Saturday Night Sleepover. Like its predecessor, Fancy Nancy and the Posh Puppy pairs an engaging text - one which features a feisty young girl heroine with lots of character and just as much heart - with cute, colorful artwork. As always with the Fancy Nancy books, I appreciated the ways in which author Jane O'Connor worked some vocabulary lessons into her text, in the guise of the "fancy" words preferred by her heroine.
