John Keats. HarperCollins is proud to present its new range of best-loved, essential classics. "I am certain of nothing but the holiness of the Heart's affections and the truth of the Imagination." One of the most popular of the Romantic poets, Keats's poetry is suffused with adoration for natural beauty, exploration of joy and pain, and ideas on the transience of life. This new collection combines many of Keats's well-loved poems – from "Ode to a Nightingale" to "Bright Star" – with his letters, often studied, analysed and admired in parallel and offering a fascinating insight into the life "Chapman's Homer" is an Italian sonnet. Look it up in A Handbook to Literature or Norton or more information. The poem is a celebration of discovery. Its metaphors and similes underline that celebration. Heaves calmly its broad swelling smoothness over. Its rocky marge, and balances once more. The patient weeds; that now unshent by foam. Feel all about their undulating home. Sappho's meek head was there half smiling down. At nothing; just as though the earnest frown. Of over thinking had that moment gone. From off her brow, and left her all alone.
