Description:

Written from an insider's view, this text provides an up-to-date and comprehensive examination of a field that is undergoing significant change.

Probation and Parole: Theory and Practice, 12e looks at the history of the field, how it moved from a focus on treatment/rehabilitation and the indeterminate sentence, toward a model based on control/law enforcement and the determinate sentence. It offers a logical, student-friendly approach. Written by a former community corrections professional, the author provides an insider's view on how these changes affected the roles and responsibilities of probation and parole officers. In contrast to

competing texts, the author weaves his experience with the practices of probation and parole agencies throughout the United States to provide a realistic, state-of-the-art view of the field. The use of cognitive behavior therapy and motivation interviewing, “broken windows”/community-based supervision, and the importance of evidence-based practice are examined.

Teaching and Learning Experience

This book will help students gain an insider’s view of the rapidly changing field of community corrections/probation and parole. It provides:

- **Realistic insider’s view of the field:** Drawn from the author's vast experience as a retired community corrections professional with the NYS Division of Parole, as well as his academic credentials (MSW, PhD)
 - **Relevant psychological and sociological theory:** Applies social science theory to the practicalities of community corrections
 - **Learner-focused, “active learning” with strong pedagogical support:** Reinforces chapter information to ensure mastery, and offers extensive pedagogical support for more effective study

For courses in Probation/Parole and Community Corrections. Written by a former community corrections professional, PROBATION AND PAROLE, 11/e provides an insider's view of probation and parole. Featuring a two-color design, it addresses both juvenile and adult populations and includes authentic reports, forms and narrative from agencies throughout the country. Enables students to integrate important theories with probation and parole practice. Gives students a practitioner's view of the relevant psychological theories and counseling techniques as they are used in probation and parole. New to This Edition. New! Examines state-of-the-art probation and parole practice, including material on: Rehabilitation and restorative justice. Probation and parole are both alternatives to incarceration. However, probation occurs prior to and often instead of jail or prison time, while parole is an early release from prison. In both probation and parole, the party is supervised and expected to follow certain rules and guidelines. Even though both probation and parole have a strong rehabilitation component, each process has the additional goal of protecting the community. Parole has the additional function of trying to reintegrate a defendant into society. Depending on the nature of a defendant's offense, a defendant's conditions of probation or parole can be amended or changed. Probation and Parole: Corrections in the Community \$112.75 (70) Only 3 left in stock - order soon. Read more Read less. "Devoted" by Dean Koontz For the first time in paperback, from Dean Koontz, the master of suspense, comes an epic thriller about a terrifying killer and the singular compassion it will take to defeat him. The book does a good job of explaining the process on probation and parole as well as other important information for each. I used this book for college, but anyone can read it and gain some basic knowledge from it.
