The Darien Disaster

By John Prebble

Vintage Publishing. Paperback. Book Condition: new. BRAND NEW, The Darien Disaster, John Prebble, The word Darien is a scar on the memory of the Scots, and the hurt is still felt even where the cause of the wound is dimly understood. Three hundred years ago the Parliament of Scotland, in one of its last acts before the nation lost its political identity, defied the King and the persistent hostility of the English to establish a noble trading company, to settle a colony, and to recover its people from a century of despair, privation, famine and decay. The site of the colony, Darien on the Isthmus of Panama, was the enduring dream of William Paterson, the erratically brilliant Scot who had helped to found the Bank of England. He called it 'the door of the seas, and the key of the universe', and believed that it would become a bridge between East and West, an entrepot through which would pass the richest trade in the world. The first attempt to make the Company a joint Scots and English venture was crushed by the English Parliament. The Scots created it by themselves, in a wave of almost hysterical enthusiasm, subscribing half of...

Also by John Prebble. Where the Sea Breaks. The Darien Disaster book. Read 3 reviews from the world's largest community for readers. The word Darien is a scar on the memory of the Scots, and the hu... John Prebble's account of the Darien Disaster chronicles Scotland's attempt to acquire its own South American colony and establish a trading company to rival England's East India Company. However it was to end badly with lives and reputations as well as a great deal of money squandered and the eventual union with England. The Darien Gap is a break across the North and South American continents within Central America, consisting of a large watershed, forest, and mountains in the northern portion of Colombia's Chocó Department and Panama's Darién Province. The Pan-American Highway also has a corresponding gap of 106 km (66 mi), beginning at Turbo, Colombia, and ending at Yaviza, Panama. Roadbuilding through this area is expensive and detrimental to the environment. Political consensus in favor of road construction See what's new with book lending at the Internet Archive.
