Girls, Social Class, and Literacy: What Teachers Can Do to Make a Difference

By Stephanie R Jones

Heinemann USA, United States, 2006. Paperback. Book Condition: New. 231 x 183 mm. Language: English . Brand New Book. Using stories from her own life as a girl in a working - poor family and illuminating narratives from students living in a high - poverty neighborhood, Stephanie introduces readers to critical literacy and equips them with the tools to begin tearing apart stereotypes and creating new understandings about students, families, ourselves, and one another. This remarkable book is at once powerful and poetic, provocative and informative. Lucy Calkins Be prepared to have your heart examined, perhaps bruised, and ultimately strengthened for the social action that is the reason Stephanie teaches and writes and the reason every educator must read this book. - Jo Beth Allen, author of Sociocultural Playgrounds: Teacher Research in the Writing Classroom A must-read for teacher study groups preparing to tackle the impact of poverty on elementary education. - Barbara Comber, Centre for Studies in Literacy, Policy and Learning Cultures University of South Australia Girls, Social Class, and Literacy is a compelling and provocative look at the debilitating effects of classism on young girls, as well as a pragmatic and powerful examination of the transformative effects of sensitive,...

How can teachers best lead language classes, special education classes, or communication classes while protecting themselves and their students? This fall, American teachers are considering that very question. muffle v. to decrease the noise made by (something). distinguish v. to notice or recognize a difference between people or things. specific adj. special or particular. superhero n. a fictional character who has amazing powers (such as the ability to fly). Every teacher wants to be good, but what exactly are the qualities that make a good teacher? What are the skills, talents, and characteristics, and can they be taught or learned? Teaching can be quite satisfying for people who do it well. I know this because I am a teacher, too. Although I do not think I'm always the best teacher, do I know that the majority of my students love me, and I guess this is partly why good things happen in my classroom. They are available outside of class, and they grade papers quickly, writing personal notes to help their students understand. A good teacher affects eternity; he can never tell where his influence stops. Henry Adams. 7. A Strong Work Ethic. Anyone who's done it knows that teaching is one of the hardest jobs there is. A major part of this mission is behavioral and social sciences research, including research on all aspects of literacy and learning disabilities. The U.S. Department of Education's Office for Vocational and Adult Education administers, coordinates, and recommends policy for improving quality and excellence of programs that are designed to prepare students for postsecondary education and careers; provide opportunities to adults to increase their literacy skills; and promote identification and dissemination of effective practice in raising student achievement in high schools, community colleges ...
