## Description:

Ridley Scott returns to the universe he created with *Alien: Covenant*, a new chapter in the groundbreaking *Alien* franchise.

The crew of the colony ship *Covenant* discover what they think is an uncharted paradise, but it is actually a dark, dangerous world, whose sole inhabitant is the synthetic David, survivor of the doomed *Prometheus* expedition.

*Alien: Covenant - The Art of the Film* reveals how the visual style of the film evolved, with breathtaking concept art accompanied by insight and interviews with key cast and crew.

This official companion book explores all the major environments, creatures and technology that feature in this exciting new movie. It explores the intricate technology of the eponymous colony ship and its auxiliary vehicles, designs of the crew's uniforms and weaponry, artwork of key locations and breathtaking alien art imagery in amazing detail.

Packed with fascinating sketches, blueprints, diagrams, full-color artwork, final film frames and behind-the-scenes shots from the set, *Alien: Covenant - The Art of the Film* is the ultimate literary companion to this highly anticipated movie event.

This official companion book explores all the major environments, creatures and technology that feature in this exciting new movie. Anyway, I did NOT love *The Art and Making of Alien: Covenant*. It basically just rehashes the plot of the film while touching on some of the design choices with quotes from people involved in the production. There are some behind the scenes photos but nothing of any real interest. Volume details. Name. *The Art and Making of Alien: Covenant*. *The Art and Making of Alien: Covenant*. Year. 2017. Year. "Alien fans can never have too much Alien in their life, and this will be another lovely piece of the evolutionary time capsule that grows the Xenomorph and fan base until we, too, are the perfect organism." Hey Poor Player. "leaves fans wanting more and anxiously awaiting the next film." *GeekDad.com*. The content is meatier than the *Prometheus* art book with most of the "meat" focusing on the "making of" aspect of *Covenant* rather than the back story. It is also larger in dimension than the *Prometheus* art book. Page count is almost identical between the two books, plus/minus 10-12 pages. The book is partitioned into chapters that represents the different Acts in the movie. *The Art and Making of Alien: Covenant* is a 2017 behind the scenes book containing production artwork from the film *Alien: Covenant*, written by Simon Ward and published by Titan Books. It was released on May 23, 2017. Ridley Scott returns to the universe he created, with *Alien: Covenant*, a new chapter in his groundbreaking *Alien* franchise. The crew of the colony ship *Covenant*, bound for a remote planet on the far side of the galaxy, discovers what they think is an uncharted paradise, but is actually a
