Roatan is a part of the Honduran Bay Islands. Springing out of the sea, the Bay Islands form part of the underwater mountain range of Bonacci Ridge. Just off the northern coast of Honduras, Roatan is a thin stretch of land that measures only 40 miles long and a mere 3 miles wide. Despite its size, it is home to a plethora of natural beauty and boasts the world's second-largest barrier reef. Not to mention, it is also home to acres upon acres of untouched nature and wild jungles that will make you feel like you're in an Indiana Jones movie. Much like the rest of the Caribbean, this island has i Explore Bay Islands holidays and discover the best time and places to visit. | Spectacular diving and snorkeling draws visitors from around the world to the three Bay Islands (Islas de la Bahía) – Roatán, Utila and Guanaja – located between 25km and 50km off the north coast of Honduras. Their reefs are part of the second-largest barrier reef in the world, and teem with fish, coral, sponges, rays, sea turtles and even whale sharks. The Bay Islands on the Caribbean Coast are what have brou. In recent years Honduras has become a hotspot for international dive and beach lovers. The Bay Islands on the Caribbean Coast are what have brought them there and some people have even chosen to make an island their home. Like Belize, these islands lie along the Mesoamerican Barrier Reef, the second largest in the world. This makes for some amazing scuba diving. Because Honduras has yet to become an on-the-beaten-track tourist destination, the prices here remain considerably lower than other Caribbean destinations. Perhaps this explains why many serious divers and those simply looking to enjoy
