The piece, like many others by Fornes, is composed of short, fragmentary scenes. Nothing is forced, and as a result, the world premiere production felt inchoate at moments, polished but also somewhat incomplete.Â Marc and Joseph confessed to each other their love for Fran and got into a playful pillow fight. Most importantly, Fran received letters from her brother Luis in Cuba, letters that Fornes culled from hundreds which she received over the years from her own brother. The character of Luis (Chris De Oni) appeared high above on an upper stage representing the roof of the building where he lived. An edition of Letters from Cuba and other plays (2007). Contributor post by Serena Olivieri Well, I was so inspired by Tracy's post the other day that I thought it could be interesting to do the same about Madrid's vintage sign typography. So I went out with my camera and started taking pics of the old shop's in the neighborhoods of La Latina y Las Letras but, honestly, they're everywhere in this city, so this is just a little sample. Some of the places still have the same sign, other changed it with a modern one, but maintaining the same!

Relations between the USA and Cuba took a step towards becoming more normal on Friday when the leaders of the two countries, Raul Castro and Barack Obama, shook hands. They met briefly at the Summit of the Americas in Panama. This is a meeting for countries in North, Central and South America to discuss a better future for their continents. The historic handshake will help the USA and Cuba end their bitterness towards each other. The two countries have barely spoken for more than 50 years. America banned its citizens from visiting Cuba and banned most Cuban goods from being exported to the USA
