Maurice Treherne loves his cousin - the young and beautiful Octavia - as does Frank Annon. Octavia's mother wants her to encourage Frank's interest, even though she knows her daughter has no love for the man, and furthermore she doesn't want Octavia getting involved with Maurice because he's in a wheeled chair. The reason for Maurice's unfortunate state is through him risking his life to save Octavia's brother Jasper about a year before the events narrated in this story. Had he not been in this condition then Octavia's mother would alter her opinions. Doctors The Abbot's Ghost, Or Mau has been added to your Cart. Add gift options. Have one to sell? I loved Maurice and Sir Jasper *sniffs* The rest of the characters were good. There's a mention of a married woman letting a man fall in love with her & that it could cause a scandal, but nothing happens. I love the redemption at the end overall, I enjoyed the story, though the "ghost" encounter and its consequences were annoying.
