## The Search for Charlie Chaplin

By Kevin Brownlow

UKA Press. Paperback. Condition: New. 222 pages. Dimensions: 9.5in. x 6.6in. x 0.6in. In the world of film collecting, the claim find of the century may sound an unpardonable exaggeration. But what discovery can equal it? Collectors had hailed the discovery of the occasional lost Keystone comedy in which Chaplin played, but nobody had the slightest idea that somewhere in England, somewhere in France, and somewhere in the United States lay three separate treasure troves of silent film which would, for the first time, reveal the working methods of the greatest single figure of the cinema. It was a treasure hunt involving innocence and guile, accident and coincidence. A treasure hunt which took us to Switzerland, France and the United States. The treasure, when it was uncovered, revealed information as precious as the film itself. From the material, we compiled a television series called Unknown Chaplin, three hour-long documentaries produced for Thames Television. Apart from the experience of making the series, we learned so much about Chaplin we could not squeeze into the commentary we decided to preserve it in the form of a book. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

Charlie Chaplin's 8th Film released March 26 1914 This early Chaplin film has him playing a character quite different from the Tramp for which he would become famous. He is a rich, upper-class gentleman whose romance is endangered when his girlfriend oversees him being embraced by a maid. Chaplin's romantic interest in this film, Minta Durfee, was the wife of fellow Keystone actor, Roscoe "Fatty" Arbuckle. <http://www.imdb.com/title/tt0003805/> Watch more Chaplin movies favoritefavoritefavoritefavorite ( 4 reviews ) Topics: Charlie Chaplin, Silents. Charlie Chaplin: A Brief Life (Ackroyd's Brief Lives). Peter Ackroyd. 4.4 out of 5 stars 60.Â Brownlow's dedication to the completion of the project makes me appreciate it all the more, which means I'll watch the documentary again in the next few days, then re-read The Search for Chaplin. Film history doesn't get any better than this. When I wrote my novel, "Shadow and Substance: My Time with Charlie Chaplin," I used John Lennon's words as my guide: "Reality leaves a lot to the imagination." Kevin Brownlow does it with the emphasis on reality. A remarkable accomplishment. And to cap it all off, he's even read my novel.
