He studied music, gymnastics, and grammar in his youth (the common subjects of study for a young Greek) and followed his father's profession as a sculptor. The youth of Athens delighted in watching Socrates question their elders in the market and, soon, he had a following of young men who, because of his example and his teachings, would go on to abandon their early aspirations and devote themselves to philosophy (from the Greek 'Philo', love, and 'Sophia', wisdom - literally 'the love of wisdom'). Contents. Socrates: Early Years. Philosophy of Socrates. Trial and Death of Socrates. The Socratic Legacy. Viewed by many as the founding figure of Western philosophy, Socrates (469-399 B.C.) is at once the most exemplary and the strangest of the Greek philosophers. He grew up during the golden age of Pericles' Athens, served with distinction as a soldier, but became best known as a questioner of everything and everyone. His style of teaching—immortalized as the Socratic method—involved not conveying knowledge, but rather asking question after clarifying question until his students arrived at Secondly, the historical Socrates who existed in Athens born of Sophanikus, a stoneman and his mother Phaeritae a midwife.¹ The underlying truth in all these descriptions is that the personality under discussion existed in time and had a positive contribution in the Athenian city state and the results of his philosophical method are with us today. The concept of curriculum or subject matter found essence in the western education since Socrates era. A CRITIC ON SOCRATES EDUCATION METHOD First, Socrates view that ideas are innate, the environment, the teacher has nothing new to offer is limiting when it comes to the sphere of knowledge. There are some attitudes, skills and ideas learners get from the environment and the teacher without being taught or told to pick. Socrates, Greek philosopher whose way of life, character, and thought exerted a profound influence on ancient and modern philosophy. Charles and Emma Morrison Professor in the Humanities, Northwestern University. Author of Socrates and the State, How to Read Plato, and others. See Article History. View Yannis Simonides performing a theatrical show "Socrates Now," an adaptation of Plato's "Apology of Socrates" also a comparison of Nelson Mandela and Martin Luther King, Jr. to Socrates. Yannis Simonides performing excerpts from his one-man show, Socrates Now, based on the Apology of Plato, followed by a classics professor comparing Socrates to Martin Luther King, Jr., and Nelson Mandela.
