## Description:

Finally back in print--the definitive volume on Indian vegetarian cooking. Created by a noted author and lecturer, **Lord Krishna's Cuisine** features more than 500 recipes, filled with fresh produce and herbs, delicate spices, hot curries, and homemade dairy products. All recipes are based on readily available ingredients and have been scrupulously adapted for American kitchens. The recipes are enlivened by the author's anecdotes and personal reminiscences of her years in India, including stories of gathering recipes from royal families and temple cooks, which had been jealously guarded for centuries. Hailed by **Gourmet** as "definitive," and as "a marvelous source for vegetarians" by **Bon Appetit**, Devi has created the landmark work on the world's

most sophisticated vegetarian cuisine. Repackaged and evocatively illustrated, **Lord Krishna's Cuisine** unlocks the mysteries of the most healthful and delicious recipes of the world.

Krishna Priya Dasi is native to Jaipur, India. She has prepared thousands of delicate treats for Sri Sri Radha Golokananda and is now sharing her recipes with this cookbook. Krishna Priya Dasi: "Cooking is an art and one of the most wonderful ways to please someone." I have had many pleasant experiences in the art of cooking for Lord Krishna, although I have had to face some seemingly impossible challenges in my life, due to my physical limitations. I was born in Rajasthan, India, and was raised in Jaipur, the capital of Rajasthan. The land of Sri Sri Radha Govinda Dev Ji. First and foremost Indian vegetarian cooking is the most intricate, nuanced, and involved cuisine that I have ever come across; this cookbook is all of those things in the utmost, but it is also reader-and-home-cook-friendly. Yamuna Devi precedes each recipe with the history and background of the dish and the foods that it is best coupled with.

"The Hare Krsna Cookbook", originally published in 1973, was the first widely distributed book of vegetarian recipes, throughout the Movement. This was the book myself and many early devotees learned to cook from, and remains today my all time favorite cookbook, and is a constant companion in our kitchen.
