Wall Street dominated global finance. Who will dominate it now? Will any more banks or investment banks fail? v. Contents. All financial crises throughout time have boiled down to greed and overconfidence. From the Dutch tulip madness in the 1600s to the insanity surrounding outrageously valued Internet stocks in the more recent past, greed has driven irrational behavior, which always ends with the true value of pumped-up prices coming to light. In this case, greed drove unreasonable real estate purchases. Savvy Wall Street wizards created exotic investment instruments to take advantage of the oceans of debt flowing into the system. From the outside, it looked like a crazy merry-go-round that could keep going as long as the music never stopped. She has worked at The Wall Street Journal for 15 years, most recently as the deputy U.S. news coverage chief. Kate started at the Journal in Hong Kong, stopping in Detroit and coming to New York in 2011. As a reporter, she covered everything from post-9/11 Afghanistan to the 2004 Asian tsunami, from Toyota's sudden acceleration recall to General Electric.
