Williams Basic Nutrition Add to Cart. Buy Now. I didn't understand nutrition...learning it in school was a nightmare, but later, now that I have no pressure from class, I can read at my leisure. It gives the origin of names, which makes things easier to remember, and it can be correlated to nursing because it is really a nursing text. I actually began to understand how and why medications were given for certain conditions and also understood the nature of diseases better through this wonderful text.
