This handbook is the culmination of this work. Many people, staff and students, took part and we would like to share some of what we have learned with you. The School of English recognises that the lack of social diversity among its student body (students are predominantly white, female and middle class) may have an impact on studentsâ€™ learning and their preparation for life beyond the University. It also feels that this might discourage people from more diverse backgrounds from applying to study at the School. What happened next? The Principal's Handbook has been added to your Cart. When you look at the *Inclusive Practices Tools* you will see there is a range of options for how your school can include the process in your planning. Consider what existing systems and processes support inclusive practice in your school. George's role as school principal was essential to moving the school in a more inclusive direction. It involved carrying the torch of an inclusive vision, leading the charge in service delivery, creating and developing teams, and providing support (planning time, space, and materials) for teams to co-plan and co-teach. The idea of the principal as critical to inclusion disrupts traditional thinking in two ways: First, it allows us to move beyond islands of inclusion in only certain classrooms and toward inclusive schools positioning the principal as central to taking up that charge and second, we move beyond the idea that it is okay to include some but maintain outdated and ineffective pullout.
